[December 1 is the Deadline to Apply for the WBEA Professional Development Institute \(PDI\)](#)

Listen up business educators and mark your calendars. February 16-20 is the [Western Business Education Association \(WBEA\) 2012 Conference](#) in Newport Beach, California. Early bird registration must be done by January 15.

Even more importantly, if you have not attended the [Professional Development Institute \(PDI\)](#), this is your chance to get scholarship money towards your WBEA registration.

What is the [Professional Development Institute](#)? The health and relevancy of professional associations at the local, regional, and national levels rely on the involvement of teachers and administrators who will share their talents and time for the betterment of our profession. The challenge to continually train new leaders and reinvigorate the veterans is ongoing. In 1999-2000, the WBEA Board, under the leadership of President Mary Ann Lammers voted to institute a professional development opportunity at the annual conference and support this endeavor by paying for ½ of the registration fee for two participants from each Western State, Territory, and Province (S/T/P). The S/T/Ps were encouraged to pay the other half of the fee. The first PDI was held at Vancouver, British Columbia, Canada, in February 2000.

The [PDI](#) has traditionally met for five to six hours on Friday before the annual conference begins. The participants attend part of the WBEA Executive Board meeting to see the regional board in action. Recently, they have been introduced and honored at a general function by sitting in a reserved area and being awarded a certification of completion by the PDI Director.

The original intent was to encourage new or veteran teachers who had not previously been involved in their professional associations to gain the skills and confidence to accept offices and committee assignments in their S/T/Ps. Some S/T/Ps have supported veteran teachers who are continuing to provide inspiration to members and want a "refresher" opportunity. Having a registration fee paid has also provided financial support for those teachers who do not have the support of their districts or colleges

The PDI application must be sent to MBEA President, Regina Wood, by December 1. Her email is rswood@livingston.k12.mt.us. The link to the application is <http://www.wbite.org/pdf/2012PDIAPPLICATION.pdf>.

Please don't miss out on this great leadership and professional development opportunity. There are already several Montana business educators planning to attend the conference so let Regina know if you need a roommate to help with costs.

You can find out more information about the WBEA conference at <http://www.wbea.info>.

We hope to see you in California (in February...think about it!).
